- Work with your doctor (or other prescriber) to find a different drug that we cover.
  - You can call Member Services at the number at the bottom of the page to ask for a list of covered drugs that treat the same condition.
  - This list can help your provider find a covered drug that might work for you.
- Work with your doctor (or other prescriber) and ask the plan to make an exception to cover the drug.
  - You can ask for an exception before next year and we will give you an answer within 72 hours after we get your request (or your prescriber’s supporting statement).
  - To learn what you must do to ask for an exception, refer to Chapter 9 of the *2024 Member Handbook* or call Member Services at the number at the bottom of the page.

- If you need help asking for an exception, you can contact Member Services or your care coordinator. Refer to Chapter 2 *and* Chapter 3 of the *Member Handbook* to learn more about how to contact your care coordinator.
- Ask the plan to cover a temporary supply of the drug.
  - In some situations, we will cover a **temporary** supply of the drug during the first 90 days of the calendar year.
  - This temporary supply will be for up to 30 day supply of Part D drugs and up to a 90-day supply for non-Part D (Healthy Connections Medicaid) drugs at a retail pharmacy. This temporary supply will also cover up to 31 days of Part D drugs and up to a 98-day supply for non-Part D (Healthy Connections Medicaid) drugs at a long-term care pharmacy.
  - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of Part D drugs and up to a 90-day supply for non-Part D (Healthy Connections Medicaid) drugs at a retail pharmacy. If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 31 days of Part D drugs and up to a 98-day supply for non-Part D (Healthy Connections Medicaid) drugs at a long-term care pharmacy. You must fill the prescription at a network pharmacy.
  - (To learn more about when you can get a temporary supply and how to ask for one, refer to Chapter 5 of the *Member Handbook*.)
  - When you get a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.
  - If you have a current formulary exception that our plan approved in 2023, and you remain a member of Wellcare Prime for 2024, we may continue to cover this exception during 2024. You will receive a letter with approval dates if we decide to continue to cover your exception during 2024. However, if we decide not to continue to cover the exception during 2024, your doctor (or other prescriber) must work with Wellcare Prime to request a new exception for the 2024 calendar year.
